

March Winds have Blown in Some Incredible Drinks!

This month, come in and try an Emerald Isle... our signature white mocha with a splash of Crème de Menthe topped with whipped cream and some leprechaun sprinkles!

OR you may prefer something colder for the warm days... how about an Irish Blessing? Our Caramel Avalanche with Irish Cream and Vanilla topped with whipped cream... let smiles abound!

And for our "strictly tea" friends, we have MANGO! A remarkable Indian black Nilgiri tea flavored with mango and sprinkled with marigold and safflower petals, creating a fruity, slightly floral tea!

Irish Blend and Dark Sumatra are here for a limited time!

Sumatra is a classic Indonesian coffee with a heavy body. The darker roasting rounds out the coffee and intensifies the earthiness while adding a slight smoky intrigue!

Irish Blend combines heavy bodied coffees to stand up to creams, and has a smooth rich taste!

Welcome Geoff Moore!

We are so excited to have Geoff with us! Father to (almost) 3 year old son Liam and husband to Tawny, Geoff is learning the coffee business from the "grounds" up, and will eventually learn to roast with Carl! He is a fan of reading, sports and our medium roast coffees. Geoff is quickly becoming a favorite with customers and staff alike!

"I think this picture says, 'There's a story behind that face. I am not sure what that story is, but I know it's one I want to hear while enjoying one of Serranos many finest beverages.'"

-Geoff
