Presenting Our New Line of Chocolates: Lake Champlain!

In 1983, Jim Lampman, owner of Burlington, Vermont's acclaimed Ice House Restaurant on the Lake Champlain waterfront, challenged his chef to come up with a better chocolate candy than the expensive chocolates he had been giving as gifts for years. Shortly, Jim was presented with hand rolled, distinctively flavored truffles - the finest chocolates Jim had ever tasted. He began serving them Sundays to select restaurant patrons. The response was so favorable, Jim founded an upscale chocolate company to keep up with the demand. We are proud to present you with Lake Champlain chocolates... distinctive and delicious, treat yourself or a friend today!
