## Dark Ethiopia is Back!!

Our Ethiopia coffees are the fine, washed coffees from Ethiopia's high country. These coffees feature a range of clean, fruity, floral aromas and a heavier body. The darker roast adds a smoky character. The flavor is rich and smooth. Why not try a cup at the store? We would be happy to get you an aeropress of Dark Ethiopia at our new Drip Bar!

## Welcome Frank Hudson!

Frank is a Junior at Palmer Ridge High School where he is Junior Class Vice President. He plays full back on the rugby team, is a peer minister and very active at church, and enjoys writing and playing guitar...he has even composed a "Serranos Rap!" and can be encouraged to perform it during less busy times at the store! How lucky are we to have him employed here!
